Vice President, Long Division
Wishes Granted Consulting
50 Raquetball Court
Gettawork, CA 90000

Dear Mr. Hired:

I am writing to apply for the position of Associate in your firm. As a graduating senior at Pomona College, I learned about your company through the Career Development Office. Enclosed is a copy of my resume.

The Associate position interests me because it will allow me to use my math skills in a business environment. In addition, your firm's involvement in complex deals will enable me to learn more about this type of work. I bring you the following qualifications:

- A mathematics major with a 3.5 GPA.
- Two internships building mathematical models to forecast business expectations.
- Leadership experience in two different campus organizations.

I am excited about the possibility of working for Wishes Granted Consulting. My education and experience are very compatible with the qualifications of the position. I would like to speak with you to tell you more about my qualifications. I will call you next week to arrange a time to talk.

If you have any questions, you may reach me at 909/607-0000 or email me at estar@pomona.edu

Thank you for your consideration. I look forward to talking to you soon.

Sincerely,

Eyema Star
